

UDC Amendment Conference

T1NC, GEAA, and Environment Texas are teaming up to present a conference with everything you need to know about Amending the City of San Antonio's Unified Development Code (UDC). We have an opportunity once every five years to get changes to City codes that will ensure our neighborhoods are more friendly and sustainable.

There will be presentations on the UDC, storm water management, green infrastructure, and infill development followed by an open forum and panel with an emphasis on neighborhood plans of action. Christine Drennon will be the keynote speaker and Annalisa Peace will serve as moderator.

What: UDC Amendment Conference

Where: The Baha'i Center at 735 W. Magnolia

When: Saturday, March 7, 2020, 12:30 - 4:30 p.m.

**Who: Tier One Neighborhood Coalition (T1NC)
Greater Edwards Aquifer Alliance (GEAA), and Environment Texas**

Refreshments will be served.

All neighborhoods welcome!
